ABOUT ST. JOHN'S Mason City, Iowa

This is a great church, and we have a good time worshiping God, serving others in the name of Jesus, and working to deepen our relationship with him—individually and together. We value being engaged and curious in our faith here. No matter where you are in that path, you should find this to be an active house of prayer, worship, learning and service that will stimulate your mind and your soul. We also have pretty good potlucks. The liturgy of the Episcopal Church, found in the Book of Common Prayer, is the center of life at St. John's.
